Dear Parents,

Thank you to parents who attended our meet the teacher evenings, we hope you found them a useful source of information. If you were unable to attend please speak to the class teacher to get up to speed with everything that was discussed.

Gentle reminders:

Pupils on the junior site are welcome to bring rucksacks to school. Owing to cramped cloakrooms on the middle and infant site we ask parents to send in only books bags and PE bags, thank you.

Girls and boys with hair long enough to be tied back must do so at school. Last year we had numerous infestations of head lice which was unpleasant for all, please help us to prevent this happening again this year.

Our dates for events this academic year are on the website. Please have a look at them to ensure you are available for all the important meetings and that holidays are avoided in term time, thank you.

We have added some additional important dates:

6th June 2018 Borough sports day at St Mary's University

9th – 12th July 2018 junior site musical (to be confirmed), 7 – 8pm school hall

Our thanks go to Year 4 staff who took such good care of the pupils during their residential to Sayers Croft. It was a really super experience and one the children will always remember. Our Twitter feed has some photos if you want to see what they got up to.

It was lovely to see parents at our celebration assemblies this week. Next week the "star of the site" returns and teachers are already vying for the chance to nominate someone special. The children love having a piece written for them, after all, who wouldn't?

Hopefully your child will have talked to you about our new learning mentor, Mrs Diane Pummell. She has been introduced to the children at an assembly and they know that she is there to support them with any worries they have. If you would like to talk to her about support for your child's social or emotional well-being you can contact her through the office.
