23<sup>rd</sup> September 2016

Dear Parents,

Our new reception children are settling so well and this week stayed for school lunch, which is delicious I might add, having now sampled it on all three sites. They begin attending full time next week.

### Information about home time arrangements

#### **Junior site:**

We require a letter to give permission for Year 6 pupils to go home alone. In the summer term Year 5 pupils are also permitted to go home unaccompanied. Occasionally some parents request before the summer that their child or a group of year 5s leave together. We require notification of this in advance, thank you. Please email [info@st-marys.richmond.sch.uk](mailto:info@st-marys.richmond.sch.uk) with all relevant details. Staff members are at the gate ready to check that pupils are leaving safely and will consult a list which will be updated daily by office staff.

#### **Middle site:**

The middle site now has 7 classes making for a very busy home time. In order to ensure safety we will be operating a slightly different system and we ask that you bear with us as we all get used to it. Most of the Year 2 pupils will leave via the main doors to the playground and all of Year 2 will line up by this exit. Parents are asked to remain behind the cones in the way that you did on the very first day this year. Scooters and bikes are to be picked up **after** you have collected your child.

Year 3 Elms will be collected from outside their classroom. Please wait on the small play space near their room and the teacher will bring them to you. Poplars and Sycamores will exit via the side door and be brought through to the area marked like a pitch on the far side of the playground. There will be a small corridor left between the external classroom and the year 2 lines for the remaining year 3 classes to walk through, please keep this space clear and refrain from taking the children until they reach their line. We ask that parents just occupy the spaces between the cones and the pitch so that all lines/children can be clearly seen. Staff will be at the gate daily. We hope these new arrangements will keep the children even more safe.

#### **Infant site:**

Where usual collection arrangements change (either a one-off or permanently) please alert us in one of the following ways:

### Parent view

Last term a parent survey was carried out but only 35 responses were received. We take this as a very good sign that you are content with all that happens at St Mary's or I am sure we would have had many more!

St Mary's School was last inspected by Ofsted in 2011 which means we are definitely moving towards a follow up visit. As part of the information collected prior to the visit inspectors please check Parent view. This is the Ofsted online survey and it makes a significant contribution to the pre visit judgement about how engaged (or not) parents are with the school. As such I ask that you log onto our website ([www.st-marys.richmond.sch.uk](http://www.st-marys.richmond.sch.uk), quick links on the homepage) or directly to Ofsted at <https://parentview.ofsted.gov.uk/> to complete the survey. It takes just a few minutes and will give an excellent first impression of our school. Each academic year the survey is reset so last year's results won't count, please, please log on and give your views. I will update you frequently with how many entries have been submitted. Many thanks.
