20th January 2017

Dear Parents,

Parent view:

Our Parentview responses rose from 162 to 163 last week, thank you. Keep logging on to register your views <https://parentview.ofsted.gov.uk>

Handwriting:

On Monday 23rd January it is National Handwriting Day. Our children have worked so hard on this and the progress seen is wonderful. During Monday teachers will be trying to spot those who have made the greatest progress and their work will be shown at Celebration Assembly next week.

Amyand Park Road:

We have been advised by local residents that it is becoming quite dangerous to drive along Amyand Park Road at the beginning and end of each school day. They say that parents and children are walking along the roads rather than using the pavements and it is causing a hazard! Please help us to keep children aware of the dangers of walking in the roads by setting a good example! Thank you.

Sainsbury Reward Vouchers:

...are back! We are able to collect them at each site and will use them to top up our playground equipment and PE equipment, so do keep them coming, thank you.

FoSM support:

We are so grateful to you all for your contributions towards the FoSM fundraising events. We have been generously provided with the money to pay for new playground equipment at each site and the children will reap the benefits of this over the coming weeks.

We have also promised the junior site a fish tank if the children are able to meet some of the targets, set to improve several areas around school, namely the way they look after their cloakrooms, the way they travel around school and their lines. They have until Easter to show us their commitment to these challenges and then their wish for school pets will come true!

FoSM has recently supported the trim trail on the middle site and the new climbing equipment on the infant site so the junior site treat was next on their list. Thank you to our FoSM representatives especially. And juniors...show us what you can do!

Infant site Star of the week: **Jemima Tranter – 1Puffins**

Who has shone the best this week?

Who's our latest star?

Listen to the clues I read,
And work out who you are.

You always work you hardest,
You love to read and write.
You challenge yourself further,
Even when your answer's right!

Snakes and Ladders is a game you play,
You like a pantomime,
You are graceful at your gym club
And you draw all the time.

You are enthusiastic,
Have you worked out who you are?
Stand up Jemima Tranter
For you are our special star

Middle site Star of the week: **Hannah Belilios – Year 2 Maples**

Helpful, thoughtful and kind you are,
A joy to teach, a shining star
Not a sad moment when you're in school.
No time in gymnastics, when you fall.
Amy's the name written by you,
Have you guessed who you are yet from many a clue?

Here's one more – you're in Year 2.....
Hannah Belilios, this week's sparkling star is you!

Junior site Star of the week: **Will Wylie 4I**

Warm hearted and wonderful is what you are
Incredible ideas you bring to life,
Loving and a whirlwind of energy
Listening closely and carefully is your best quality,
Inspiration you give to others,
Admirable and respected footballer
Modest and humble human being,
A name fit for a Prince!

I wish you a very happy weekend.

Yours sincerely,

Angela Abrahams
