Friday 5<sup>th</sup> January 2018

Dear Parents,

A Happy New Year to you all. It is good to see the children back at school rested after their break; there are lots of exciting things to keep them busy this term; please take a look at your class half termly letter in Resources, "half termly letters" (they are also on our website). Class emails have been sent to you too; these emails are sent out every Thursday or Friday giving you information for the following week so please check your emails regularly. Thank you for your support.

### **"Good to be Green" update:**

The new year starts with a new system which we would like to share with you. You will already know about our 'Good to be Green' behaviour strategy - all children start the day with green cards, if they make a poor choice the card is turned to yellow and if they make a very poor choice their card is turned to red and you are contacted. As this system has been in place for a while we need to revamp it, for it to keep the impact we wish it to have. As such this term, to keep you more informed, we will be sending home any yellow slips your child receives and we ask that you discuss the concern with them, sign it and send it back into school the next day. The slips will indicate which of three main issues the card relates to, but an explanation from your child will give you more information about it. Thank you for your support for this change; we hope it will have a positive impact.

### **St Mary's Church Service:**

As part of a wonderful tradition, Year 3 pupils attend a service where they are presented with a Holy Bible. Whilst only Year 3 go along all parents are invited to attend. The service is on Tuesday 9<sup>th</sup> January at 10:00 am.

### **House points for the autumn term**

With apologies we omitted to give you the total of house points received last term. They are:

Woolf (Blue)	2449
Attenborough (Green)	2526
Twining (Red)	2505
Farah (Yellow)	2468
