Friday 21<sup>st</sup> September 2018

Dear Parents,

### **SEN Review**

Today we took part in an independent review of our SEND provision; the visit was requested by the School as part of our continual drive for school improvement. The outcomes are very positive and we will share the findings with you as soon as it arrives.

My thanks go to the children, who welcomed our visitor so warmly and spoke about their learning so positively. My thanks also go to Mrs Knight's SEND team and all the St Mary's staff for all they do to support and inspire all our pupils.

### **School Council Election Event**

We will be holding the Junior and Middle site school council elections next week. In order to help make the experience feel authentic, the Borough has kindly agreed to loan their election boxes to us. We can now create a realistic election process with a polling station for the children! School Councils provide a meaningful way in which children can voice their opinions, and have their views taken into account regarding decisions which impact upon them. Here's a summary of our school council's excellent work from last year: several playground safety suggestions, equality of playground rotas, introduction of an Art day, changes to the lunch menu, not to mention the disco, charity events that raised money for the children of Africa and new goalposts for middle site.

### **A request from Miss Whittall:**

Tesco are offering vouchers in return for your shopping. The vouchers enable us to obtain sports equipment and will help boost our current resources. If you shop in Tesco we'd love to receive your vouchers. See the link below for more information.
