Dear Parents,

PLEASE CHECK YOUR CHILD'S BOOK BAG - Home-School Agreement

It is the time of year when we ask you to sign the Home-School Agreement. In consultation with the Governing Body, we have updated this important document and request that you sign it and send it in to the school office before we break for half term.

Please could these be returned by all parents and children, even if you have recently completed one, as changes have been made.

Harvest Service

Thank you to parents who joined us at church for the Year 2 Harvest Service, and for your donations to Water Aid, we will count it and get the total to you as soon as possible. We noticed many were filming the service; ***can I please ask that you respect the wishes of some, that their child's image is not used on social media?***

Local Community Appeal from ETNA

Can you help? The ETNA Centre is a much-used resource by local families and they need 150 people to back their crowd funding project by 14th October, to qualify for a grant from the London Mayoral Fund. They just need a small pledge say £1 or £2, to show your support for their project to create a space where the elderly, the young and those just wanting a chat can go for coffee and an affordable meal. <https://etnacentre.org/pledge/>

Road Works

Over the following weeks road works begin on the area around the middle site, including the suspension of parking bays. Please help keep our children safe at this time by avoiding double parking and steering clear of the junctions. From the 22nd onwards the roads will be closed to traffic altogether until the works are complete.

Middle Site Hire Opportunities

If you are interested in hiring our middle site hall please contact Simon Minty, our School Business Manager, to find out the details.
