## 1. Aims

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence

We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

## 2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

## 3. School procedures

### 3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Pupils must arrive in school on time on each school day.

Infant site- 8.30 am

Middle site- 8.45 am

Junior site 9.00 am

The register for the first session will be taken upon arrival to class. The register for the second session will be taken immediately after lunchtime.

### **3.2 Unplanned absence**

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 9.00 am or as soon as practically possible (see also section 6).

Parents may call or email the school office, according to the site their child attends.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily. See Appendix 2

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

### **3.3 Medical or dental appointments**

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Parents may call or email the school office, according to the site their child attends.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

### **3.4 Lateness and punctuality**

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code.

A pupil who arrives after the register has closed will be marked as absent, using the appropriate code.

The Headteacher will follow up regular or unexplained lateness by calling the parents.

### **3.5 Following up absence**

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

The Headteacher will follow up regular or unexplained absence by calling the parents.

### 3.6 Reporting to parents

Parents receive an annual report on their child's attendance in the end-of-year report. The Headteacher also provides termly, whole school information on absence in the newsletter.

## 4. Authorised and unauthorised absence

### 4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

Illness and medical/dental appointments – as explained in sections 3.2 and 3.3

Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart. The School permits 2 days of religious observance per year.

Term-time holidays will not be approved.

St Mary's identifies pupils of concern through regular monitoring of attendance. Those falling below 90% are referred to the Education Welfare Service.

### Children in entertainment

The general rule is that no child may take part in a performance unless licensed to do so by the local authority in whose area he or she lives. Even with a license, it is up to the Headteacher whether or not to authorise the absence. Licenses are granted where the local authority is satisfied about the child's fitness and about provisions made for his or her health, treatment and education. If the school is concerned that having a license will be detrimental to the education of the child, a license will not be granted by the Local Authority. If the application for a licence is made by parents of children whose attendance is below 95% the Headteacher may refuse the licence. The school attendance of children in entertainment is closely monitored by the Education Welfare team.

### 4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

A number of unauthorised absences occurring within a rolling academic year

One-off instances of irregular attendance, such as holidays taken in term time without permission

Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

## **5. Strategies for promoting attendance**

St Mary's promotes good attendance by rewarding those with 95% and above, termly. Whole class rewards include pupils receiving additional playtimes or the wearing of non-uniform.

## **6. Attendance monitoring**

The administration officer monitors pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents are expected to call the school on each day of the child's absence.

If a pupil's absence goes 3 days we will contact the parents to discuss the reasons for this. If the parent cannot be contacted the Headteacher will contact the Education Welfare Officer.

If after contacting parents a pupil's absence continues to rise, we will consider involving an education welfare officer.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

The school tracks attendance data to check for trends. Particular groups or individuals may be tracked where the school has concerns and it monitors and evaluates the impact of the absence on progress. Interventions may be planned as a result.

## **7. Roles and responsibilities**

### **7.1 The governing board**

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy.

### **7.2 The headteacher**

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

### **7.3 The attendance officer**

The attendance officer:

- Monitors attendance data at the school and individual pupil level

- Reports concerns about attendance to the headteacher

Works with education welfare officers to tackle persistent absence  
Arranges calls and meetings with parents to discuss attendance issues

#### **7.4 Class Teachers**

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

#### **7.5 Administration staff**

Administration staff are expected to take calls from parents about absence and record it on the school system.

### **8. Monitoring arrangements**

This policy will be reviewed every 3 years by the Headteacher. At every review, the policy will be shared with the governing board.

### **9. Links with other policies**

This policy is linked to our child protection and safeguarding policy

#### **EQUALITIES STATEMENT**

St Mary's positively celebrates diversity and inclusion is core to its Christian ethos. The Governing Body recognises that no one should receive less favourable unlawful treatment than another on the grounds of gender, marital or civil partnership status, colour, race, nationality, ethnic or national origin, disability, religious beliefs, age, or sexual orientation. It is the Governors' aim that no-one at the School should suffer unlawful direct or indirect discrimination, victimisation or harassment on any of these grounds. The Governing Body is committed to embedding fairness and equality at the heart of the school community, and in all aspects of the school's policies, procedures and practices.
