Tuesday 2<sup>nd</sup> June 2020

Dear Parents,

We are so looking forward to your child returning to school tomorrow and have some final arrangements to confirm with you to ensure a really smooth start.

- Ensure your child has had their temperature taken before leaving home and has washed their hands. The usual guidance if your child has any of the Covid-19 symptoms applies. They **must not** come into school.
- Please arrive promptly at the gate, no earlier or later.
- Please ensure you keep a 2 metre distance in the line whilst waiting for your child to be collected, the same applies at the end of the day.
- Your child will be met by their pod teacher. Please prepare your child to say goodbye to you before reaching the gate so we can have a swift handover.
- Please do not send in book bags. Your child will need to carry their filled water bottle (clearly named) and their small anti-bacterial gel.
- If they are bringing a coat or jumper, please make sure they are wearing it not carrying it.
- If you have chosen for your child to have a packed lunch from home (and informed us) they will need this too
- We will send home a reading book once each week. For Year 1, please return this book the following Friday. Year 6 may be reading novels so a longer period is expected. We do not require reading record books. Books will be quarantined after use, before sending home with other children.
- We are also asking parents, where possible, to wash school uniforms daily please.

Please bear with us as we settle into this new way of working; there may be teething problems but we will work quickly to fix them, see you very soon!

Best wishes,

Angela Abrahams

Headteacher

St Mary's CofE Primary Twickenham
