Saturday 30th May 2020

Dear Parents and carers,

Sorry for another email, but we have had a number of queries, so here are some gentle reminders ahead of next week:

If you haven't informed us that your child will be returning to school, or if you replied with a "No or don't know", your child will not have been allocated a place in a pod and we are not planning for their return on Wednesday.

If you would like your child to return to school on Wednesday 3rd June please respond to this email as soon as possible and we will ask class teachers to allocate them to a "pod". Please ensure you include their full name and class. We will email you again early next week with further information.

If you replied to say your child **IS** returning to school but you did not receive an email letting you know which "pod" your child has been allocated, please let us know by Monday morning. *Please ensure you include their full name and class.*

Parents of those returning need to complete the survey, if their intention is to send in a packed lunch.

If you have any queries regarding medication please email our school SENCOs at senco@st-marys.richmond.sch.uk

Many thanks and have a happy weekend.

Best wishes,

Angela Abrahams

Headteacher

St Mary's Primary School

Twickenham
