

As a pupil at St Mary's School I will:

- Strive for excellence in all that I do
- Show compassion, treating everyone as I would like to be treated myself
- Be polite, helpful and sensible
- Play and learn safely. For example:
I will walk inside the school building, not run
I will not use PE equipment unless a teacher is there
- Take care of the school building and its equipment
- Tell my parents or a teacher if anything worries me
- Remember to do my homework on time
- Remember the things I need for school each day
- Give my parents any letters or messages from school

Home School Agreement - Our Vision Statement

“True love shows itself in action” 1 John 3:18.

At St Mary's we balance excellence with compassion. In partnership with parents and the whole community, we encourage pupils' capacity for reflective thought to make a more creative difference in our world.

Our aims are:

- To ensure that the Christian faith is taught, celebrated and lived out in the school community; to promote knowledge of different world religions, to encourage tolerance, understanding and respect for all people
- To enable each child to grow in confidence and understanding by preparing them to meet the challenges in their mental, physical, social and spiritual development
- To excite and challenge children in each lesson, on each day of each year
- To meet the demands of a changing society by being sensitive and responsive to developments in education, the community and beyond
- Through a shared commitment with parents, provide a high-quality education that is the right of every child

By signing this agreement, the school, parents and pupils agree the contribution they will each make to achieve these aims.

The School will:

- Provide a high standard of education to the best of our ability
- Respect the needs of each child and help each pupil to do his or her best
- Encourage the children to abide by the school's rules
- Set, monitor and mark homework following the homework policy and guidelines
- Be open and welcoming at all times and encourage parents to become involved in the life of the school
- Keep parents informed about their child's progress through regular meetings and reports
- Discuss with parents any major concerns about a child's work, behaviour or happiness
- Provide regular and timely information about events, news and curriculum matters
